Sir

I have just received your letter of 6 inst - and
am surprised to learn that my name does not appear on
the rolls as an officer in your Department.

I was commissioned in the State of Louisiana on the 4th
December 1862. I am of the 6888 Central Postal Directory
only in March 1862. the said Regiment entered the Confederate
service and on the 4th day of that month (Mch 1862) I gave
my bonds, which were accepted by Judge Morris and forwarded
to Richmond by Maj. J. H. Wimmerman Secy of August 1862
with instructions to forward the Commission to my friends
Messrs. Beckwith & Co. New Orleans in whose employ I had been
since 1853. I had every reason to believe that my Commission
had been sent to New Orleans & as I was told by Government officials
that my name was on the list of bonded officers, I felt sat-
isfied and gave myself no further trouble.

At Expedito Miss I was detached by Maj Genl Saml
James from the Regiment, on duty for Malvern Bridge &
when the Army was moving to Kentucky. Col. O. P. Bannan
ordered me to report to Maj. C. A. Ridenell Chief 2nd of
Hundred Corps of the Confederate Regiment had been disbanded
just as we left Expedito. At Bardonia Ky General
Pickens Army of Mississippi ordered me to Shelbyville &
Frankfort to purchase clothing for that Army.

Spent and brought out fully 75,000 Yards of
Glans & Linseys which was about all the Army
of Mississippi Secured. On our arrival at ~~Durham~~
in November last. Col. D. B. Bannan asked me to take
charge of the building & supplying of Hospitals.
I remained on that duty until Gen. Sully evacuated
that place when he gave me the following order

I have the honor to reference that Capt

Quartermaster for the Hospitals of this District and
having control of the various Dr. Medicines of different

the same would be benefited by the promotion

WAR 11

Richmond Va

Dear Sir!

Under an

act entitled "an act to regulate improvements" the Commissioners from each state are to be appointed & regulate and offer the prices to be paid for Commissary & Quarter Master stores - One by the President the other by the Govt. This is an important trust upon which materially depends the best interests of the Country - and that the bill may have the effect & produce the results intended by Congress, it is all important that practical business men should be placed in these positions, gentlemen who are from experience qualified to decide and advise upon equitable tariff of prices not only just to the people but fair for the Government.

Disclaiming even the appearance of officiousness we beg respectfully to call your attention to Maj Gen M Price Quarter Master Chief of Portsmouth Va who in our opinion would be an admirable selection either for the Confederate Govt or the State.

Maj Price was formerly Mayor of Portsmouth and at the commencement of the war was made Chief Quartermaster at Portsmouth, which position he filled with very great satisfaction until the evacuation, when he immediately went into the field. He has recently returned from Louisiana where he has been in duty and is now awaiting orders from his Dept.

In justice to the Major the writer beg. to state that for six months he was under the orders of Maj Price

as Port Quarters Master at Suffolk, His Clear and
good judgement in all matters appertaining to business
form of purpose and resolution to do what is
right to all parties concerned. Particularly fit him
for the position of Commisary.
We therefore beg that you will nominate Messrs
at the Earliest moment, and in making the requisite
policies that with all sincerity the interests of the
Work will be enhanced by such an appointment.
Any thing you may be pleased to do in this
behalf will be duly appreciated in our private
as well as official relations.

We have the honor to be

Very Respectfully

12th March 1862.

My dear Sir.

Will you allow me to make intercession in behalf of a most deserving officer of Genl. Master's Department, in the Department of Norfolk viz Capt George W. Grace - he has acted as Brigade Genl. Master, and I have been constantly brought in official contact with him, a more efficient or deserving officer I do not know. Others have received promotion, and he remains in the same rank, as upon his first entrance into the C. S. service - he is still a Captain, filling the position of Genl. A. G. Blanchard's Brigade Genl. Master - Genl. Blanchard has begged that I should add my solicitations to his own, for Capt Grace's promotion, and I do so with the greatest pleasure, hoping that you will give his claims to promotion your favourable consideration.

Sir

Columbia S. C. March 30th 1864

In 1861 & to 10th of May 1862 I was Post
agm. at Portsmouth Va. Early in the War
Major Genl. Auger, commanding the Department
of Norfolk, assigned Brig Genl. A. S. Blanchard
to a Geographical Command, and ordered him
to make his Headquarters in the city of Portsmouth.

There were no public quarters, which could
be assigned to Genl. Blanchard and his staff,
and according to my interpretation of the U. S.
Army Regulations, and upon the demand of
Genl. Blanchard & Staff, I paid them commutation
of quarters & fuel. Long over a year after
my Returns were deposited in your office
after that city had been evacuated; the officers
scattered, some dead, I was informed that the
commutation had been improperly paid, and
would be disallowed. It will be recollected
that these payments occurred in the early
stages of the War, that like most officers, I
was a civilian, unaccustomed to army
usage, ignorant of rules & laws, that for
many months we had no guide or instructions,
that we followed the printed regulations of the
U. S. Army, as we understood them, received no

instructions from those in authority over us, and as a consequence, some irregularities occurred. The wonder is, more did not.

I learned that Genl. Huger & Staff, were being paid commutation, & as Genl. B & Staff, were required by his orders to make his head

Qu in a city, & was thereby subjected to all the additional expenses incident thereto, I took it for granted he too was entitled to commutation of Quarters & fuel, and accordingly paid it.

I submit if I ought now to be charged with the amounts thus paid, when I was acting consistently with my knowledge of the law, and when all opportunity of my collecting the amounts thus paid many of the officers, is lost, because of the inability of the Dept. to examine my accounts at an earlier day, when if informed of the error the amounts paid could have been collected?

I also learn that the Dept. has ordered the payment of commutation of Qu & fuel, to Officers of the Army occupying positions peculiarly similar to that occupied by Brig Genl. Blanchard and Staff, and respectfully ask that the same ruling be applied to the case of those paid by me. In consideration of all the facts,

I respectfully ask a reversal of the opinion of the examining Clerk, and beg that I may be allowed the amounts thus paid in good faith and sincerity.

I am Sir

I reached here yesterday
and an opportunity presenting to forward
this by day, Bryan I have time only to
say that there is not a wagon running
on the route between this place and
Washington Ga the only connection
between the South & N.W. and the armies
in Va & N.C.
I understood while in Richmond that the
Lt. Mrs. Grant had ordered a large wagon
train on this route, yet at this date
not one has appeared. Capt. Venable
has run his four wagons until the
animals are exhausted. Unless a
train is established at once to bring the
supplies over, how it is possible for the armies
to be fed? The Engineer Dept. have placed
a pontoon bridge over the Savannah River.
Upon my return to Chester will give you
a detail report of the Condition of the Country
means of transportation &c

Very Respectfully

Yours truly

THE SOUTHERN TELEGRAPH COMPANIES.

Terms and Conditions on which Messages are Received by these Companies for Transmission.

The public are notified that in order to guard against mistakes in the transmission of messages, every message of importance ought to be repeated by being sent back from the station at which it is to be received to the station from which it is originally sent. Half the usual price for transmission will be charged for repeating the message, and while these Companies will as heretofore use every precaution to insure correctness, they will not be responsible for mistakes or delays in the transmission or delivery of repeated messages beyond five hundred times the amount paid for sending the message, nor will they be responsible for mistakes or delays in the transmission of unrepeatable messages, from whatever cause they may arise, nor the delays arising from interruptions in the workings of their Telegraphs, nor for any mistakes or omissions on any other Company over whose lines a message is to be sent to reach the place of destination. All messages will hereafter be received by these Companies for transmission subject to the above conditions.

Thank

Contract for the erection of the houses at Albany -
Amherst, Wootens & Luthart as suggested by
you in that letter. Also for the lumber &c. I have
replied to my application to use the
land of the Y. M. Road but hope to get it very soon.
The floors of the houses should be on a level with
the doors of the Cars & of the size (24 + 131 feet)
and general plan heretofore given here; much, unknown
since light will answer for upright supports for frame
& also walls; Have the plan & foundation very strong,
Roof tight so as to be secure to the rain, every
thing rough & use the utmost economy in the
selection of material. Construction of the buildings
Let me know how many, & the sizes of each
you may require - You had probably better
place the erection of the building at Amherst,
& perhaps at Albany under the supervision of

Agnes Johnson I trust much you are
I am making every possible effort to have
Cars sent you & hope to succeed

I sent you yesterday a lot of Stationary & envelopes

Dear General

I have the honor to report for the inspection
of the Major General's Command, that for some
time past the district has suffered from a
large number of deserters who have been very
industrious in obtaining the best of goods and
clothing at my recent time of inspection in the
district of the District, and one of
deserters were reported to me.

I have also reported and advised all the
of the District to the Major General.
The old one, a native citizen of Lucas County, of
the State of Ohio, is a good clerk, and
very intelligent, and not less than ten years old.
That is, he is a very good man, and
quite reliable in his character.

On the 1st of June, two men, Charles Campbell
and his son, John, of the District, were
detained at the District, and the other two
men, John and Charles, were then in the
District, and they were then in the District.

Asst. Comdr. for Kerns' brigade received a
notification from Adlt. office Richmond notifying
him that he was no longer an officer in the
P. A. C. S. the Secy. not having confirmed his
appointment. I respectfully suggest that some
steps be taken to reinstate this officer as he
has proved himself to be a very efficient one, and
his loss will be seriously felt by the command with
which he has been serving. This officer's place had
to be filled by resigning another from a different
command the brigade C. S. being absent on
Sick furlough.

Sir I have the honor most-Respectfully to tender to
the War Department through you my Resignation, I wish it
to be considered unconditional, & to take effect immediately.

In taking this step, I do it with regret on my part. But I find
that my health is failing so fast, - arising to having been long afflicted
with Diabetes, & other complications - that render me incapable of discharging
the duties of my office. I am therefore forced to this course, & hope it
will meet with your approval.

I am Sir your obt. servt.

therefore declare my belief that it is absolutely necessary

Brigadier Genl. W. D. Briggs
Chief of Staff &c.

General.

I respectfully ask for the appointment of Captain
W. D. Griffin to the office of Major and Commissary of Subsistence of my Brigade to take
effect from the 30th day of July 1863 the date at which I took command.

When in obedience to orders from the Head Quarters of the Trans-Mississippi
Department I assumed command of this Brigade I found Capt. W. D. Griffin, who had
been Regimental Commissary of Stevens Regiment, acting as Brigade Commissary. I
announced him as a member of my Staff, in the capacity of Commissary of my Brigade,
at once. I neglected at that time to forward an application for Captain Griffin's promotion
and appointment, and make it now with the more pleasure, because I have thoroughly
tested his fitness and can with confidence recommend him as eminently qualified
for the position.

I am General

Very Respectfully

Sir

A few days since I
sent in my report for the week of the month of
Apr. beginning on the 10th & ending on the 20th
as I have only been in the Dept. but a short time
I would like for you to have the report examined
& ascertain if it is properly made out in order
that I may adopt a similar form for my future
reports. I find there is quite a difference in the
Manner in which the Dept. are carried on in the
different Regts. & so I am in the habit of referring
to my understanding of the Manner in which they are
carried on in the Regt. in which I am serving
as a guide to the Regt. in which I am serving
in more than a year's experience, but I
have received from you the report of the Regt.
in the past.

Nov 1st 1863

The following is a correct statement of
the wastage in the month of Oct 1863 on the issue
from this depot

Fresh Beef 122⁷/₄ lbs Twelve thousand two hundred
seventy four pounds or an average of 53¹⁵⁷/₂₂₉ lbs
Each.

Bacon 17⁵³/₄ lbs Corn meal 2¹²/₁₆ lbs Peas 17⁵⁹/₁₆ lbs

Sugar 10 lbs Molasses 20 lbs Whiskey 1³/₄ bbls.

The extraordinarily large loss on Cattle was occasioned
by no doubt by the treatment while on the Rail Road
from Saranah. Not having been watered or fed since
leaving Saranah and arriving at a chuckamunga day
from four to six^{days} a report was made to the Comd. Genl
of this army of the losses by all the Brigade Comd's of
the Div. and an effort made to have them reestimated
by Maj Edwards the Div Comd from whom we recd them
at the original estimate -

My loss on bacon was nearly all^{on} one bbl which I lost
at the marked weight.

My loss on whiskey was occasioned by drawing back
an amount was taken out of the bbl and deducted from
the marked amount. which proves not be correct.

Sir

I have the honor to acknowledge the receipt of your communication dated 19th Jan 1865, in relation to an "Account Current Hospital Fund, Genl Hospital Adams Run S.C., for week ending Sept 21. 1863," and state in reply, that, the Adams Run Genl Hospital was under my charge only for a short time, during the absence of Asst Surg^l Daniel Tucker, who, it appears, made a return for the same week, and included expenditures of which I was ignorant, his Report is therefore I presume, the correct one, and the difference in the two reports due to his credit.

Very Respectfully

Adj. Genl.

We the undersigned, respectfully call the attention of the President to the merits of Col. Brian Grimes, of the 4th Regt North Carolina Troops, for promotion to the office of Brigadier General.

Col Grimes entered the service as Major of the Regiment he now commands at the beginning of the war, and has led it through nearly every bloody conflict of the Army of Northern Virginia.

His scrupulous observance of duty, devotion to our cause, gallantry upon the field, and high toned character as a gentleman, together with his long experience in the service, in our judgement eminently qualify ^{him} for the command for which we recommend him.

We subscribe ourselves very respectfully

Att. Genl.

Enc. 10

Petersburg 16 Dec 1864
Dear Sir

I don't know whether you
have any personal acquaintance
with Brig. Genl. Bryan Grimes, who
is now in command of the Division
lately commanded by the lamented
Ramses. — His friends & his behavior
in his military abilities would be
much pleased to see him promoted in
Ramses's place. I have known him
a long time. He volunteered early in
the war (volunteering his regiment in the
Confederate service a few weeks or
months) — he acted with distinction & had
great ability on many occasions — and is
of unquestionable patriotism. I know
nothing of his military talent except
from his own & his general intellectual
superiority. He has one quality eminently
needed & estimable in a General or
high administration in these times.

and in those to come — energy
& determination, — enriching
hostility to all Yankees — Yankee no-
tories & Yankee sympathizers.
If you have any opportunity of
assembling his friends — and from
the information you can get you
think ~~of~~ highly of him as I do
— I hope you will use it. He would
be a capital man to put in line with
in Eastern N. C., in my opinion
he & Stokes and a few others that I
could name are the hopes of N. C.

I fear the rigors of the times in
our old State. — If a year ago when
Parks had been conscripted — he would
now be a better patriot than he is
& it would not be in his power
even if he had the will to do us help
the harm he is doing as representative
in the legislature. Also in my

opinion if the Conscription laws had been
executed rigidly in Beaufort County — very
likely John Parks if not conscripted
himself could not have been elected.
All these exemptions from conscription
of particular districts — are most
unfortunate for us. — Mr. Tiddens ought
to have found out that he is only
keeping men who ought to be in
the army — at home — to defame
the government and our cause & to
electorians for Union politicians & to
fill the legislature and Congress with
"peace" men. (Parks is also the case
in my country of Beaufort County) I
protested against such work up. — I
saw that the result would be — as it
has been — to increase Yankee feeling
— to give an opportunity to the rebels
to go to the Yankees — (as they have done)
and to send practical Union men
to the legislature — Excuse this

My dear Mother
I have just received your letter
of the 10th inst. and am
glad to hear from you.
I am well and hope this
letter finds you the same.
I have not much news to
write at present.

I have been thinking much
lately of the old times
and how much has happened
since we last parted.
I have been very busy
with my work, but I
often find time to think
of my friends and of the
good times we have had.
I hope you are all well
and happy. I have not
heard from you for some
time, but I hope you are
all the same.

Recd. July 22. 1863

Richmond 21 July 1863

To his Excellency the President of the Confederate States
Mr. President

I take the liberty of recommending to the
President for the position of Brigadier
General - Col. Bryan Grimes of 4th N. Car. Regt.
I have known Col. Grimes intimately for many years
though considerably younger than myself.
Before the war he was a planter residing in Pitt
County N. Car. and of decided patriotic and Southern
sentiments. He was a member of the Convention of N. Car.
which elected Gen. Lee, and resigned his seat
to enter the service as Major of 4th Regt. N. Car. State Troops
which were called for the war. Of his military
services I have no personal knowledge having never
served with him. He was at the battle of Gettysburg
in Virginia a North of it from
Pitt County N. Car. to Gettysburg, and if I may
rely on the statements of his associates, has conducted
himself with great gallantry. I believe that
very few of the experienced officers from
Rhodes, D. H. Hill, Ransom & perhaps others have been
placed in the ranks of the Secretary of War. As to his
personal qualities I can speak in the highest
degree. He is a gentleman by birth, education & position.

and principles. Of his letter as to the
I have seen of it. I have
been always intelligent and conscientious in the
distribution of money. The common practice
of friendship misleads me; there are
few persons who have received a liberal
education, better qualified to be
position to which his friends have
elevated.

I will only add that since he has
the service the owner has conveyed his
plantation selecting it for other names
than which they have passed.
I have the honor to remain
respectfully your obedient servant

our country's difficulties - an early secessionist, he
quit his farm & ably & fearlessly advocated the
cause we advocated & with success - He was elected
a Member of the Convention of this State & voted for
the Secession of N. C. - He resigned his seat in Convention

Col Bryan Grimes entered the service as Major
of the 4th N. C. Regt & for more than a year has
the admirable training of the lamented Genl
G. B. Anderson, who was Colonel of that Regt.
Col Grimes led the 4th through the most distin-
guished gallantry at Seven Pines & in all the
subsequent battles of the year 1862, except Sharps-
burg (where he was ill). He has been in many
other battles & has behaved most gallantly in
them all. I think that he is a man of some
talent & Colonel from North Carolina. His gallantry,
experience, admirable training, & his
moral worth constitute strong claims for pro-
motion.

Sir,

The friends of Col. Bryan
Garrison of the 4th Regt. N. Va. 5th are
very anxious that he should be promoted to a Brigadier Genl.
He is a gentleman of high character and standing -
assigned his seat in our State Convention and accepted
the appointment of Major, and was promoted to the
Colonelcy of his Regt. upon Col. Anderson being appointed
a Brigadier Genl. he has been in active service under
Genl. Anderson on Hells dumpson and I understand
has had two horses shot under him & has displayed
great gallantry upon all occasions. I have no doubt
he will make a good officer & therefore recommend
him to your favorable consideration in the line of
promotion.

St. Grenville has therefore ceased to hold
commission a dead man.

The sympathies of the whole of the
old army of the Potomac are with him
and would demand a commission for him
if they could make themselves heard & felt.

While he himself has been mortu-
lated in battle, losing great part of
his right hand, his wife has been
rendering incalculable service by her
energy, skill and devotion as a nurse.
Thousands of our soldiers are her debtors
for care and comfort and for health
if not for life.

Mr G. is a gentleman of education
and of business acquirements. The public
service has ample room for him, if the
appointing power should so elect.

Memorandum.

Ex-Lieut H. M. Grinnett, is a son of the distinguished merchant Henry Grinnett of New York. He was agent of his Father's ships in England. At the outbreak of this war, his sympathies with the Southern cause and people, induced by friendly intercourse, moved him to take part with the South in the war.

He went to New Orleans and there contributed some thousand dollars for raising and equipping the company with which he has since fought as an officer. It was one of Wheat's Battalion, a corps that rendered perhaps the most valuable service ever performed in this war, by its resistance on our left during the first part of the great battle of Manassas.

This Battalion, reduced to nothing, by bullets and cannon, was finally disbanded, because its men enlisted in New Orleans could not be replaced by recruiting, that city having meantime fallen into the hands of the enemy.

Robert M. Grinnell a son of Henry Grinnell (the distinguished merchant) was domiciled in England as partner in a commercial house in Liverpool.

On learning that hostilities had broken out between the North and South, he embarked for a southern port and landed in New Orleans, with his wife and step-son.

Major Rhett was at that time engaged in the organization of his battalion. Grinnell connected himself with the organization and at an expense of some two thousand dollars raised a company in said battalion, declining the lieutenantcy and accepting a lieutenantcy. He was with his company in the first battle of Manassas, was afterwards transferred with the Battalion to Genl Jackson then in the Valley of Virginia, was I understand conspicuous for his gallantry in the campaigns of Genl Jackson - was wounded and taken captive at Front Royal - has since been exchanged.

The Battalion has been disbanded, yet Grinnell as an independent was in the series of battles ending in the defeat of the enemy in the late battle of Manassas. He is now in this city, without position. I ask for him the rank of Captain.

Mrs Grinnell is the only daughter of the late Sir Malcolm Munro of Bath England. Mrs G accompanied Miss Lightwale to the Crimea & acted as nurse. Since her arrival

in Richmond some fifteen or eighteen months
since she has been engaged in nursing our
wounded soldiers as Matron in the St Charles
and the Globe Hospitals. I can bear my testimony
to the faithfulness and assiduity with which
she has performed her disagreeable duties.

Linus Musgrave a son of Mrs Grinnell by a
former marriage is now in Mobile connected
with our Navy, and I am informed distinguished
himself upon the Fanny last summer a year

Sir

I beg respectfully to lay before you a statement of my case hoping that you may see fit to give me some appointment in the Army.

In March 1861 I relinquished a very profitable business in England and sailed for New Orleans

for the purpose of joining the South in her struggle for liberty. At the latter place I raised a company at a considerable expense to myself which was attached to Wheat's Battalion Pa Vols, and in which I served as 1st Lieut. until the Battalion was disbanded by your order in August last.

At the battle of Front Royal I was severely wounded.

If required I can procure letters of recommendation from Officers under whom I have served.

The first of these is the
 fact that the population of
 the country is increasing
 rapidly. This is due to
 the fact that the country
 is fertile and the people
 are industrious. The
 second is the fact that
 the country is rich in
 minerals. This is due to
 the fact that the country
 is rich in coal, iron, and
 other minerals. The third
 is the fact that the
 country is well situated for
 trade. This is due to the
 fact that the country is
 situated on the coast of
 the Atlantic Ocean.

[Faint handwritten notes, possibly bleed-through from the reverse side.]

The first of these is the fact that the
 system is not self-sufficient. It is
 dependent on the outside world for
 many of its raw materials and for
 many of its finished products. This
 makes it vulnerable to fluctuations in
 the world market.

In connection with the apprehensions, and
to the minds of the country, that a long time is
being taken to notice the name of the man
of violence. I must have had a letter
from the British. That gentleman was present
and have seen many of his transactions. I am
satisfied he is an excellent officer and capable
of doing his duty in his various duties. There
is no doubt that he is a man of great
useful help to the service, and
I am pleased to see one of these men in the
service. He has been followed by his discharge of
his duties.

1. The first thing I noticed
 when I stepped out of the car
 was the cold. It was a sharp
 contrast to the warm blanket
 of the car. I shivered slightly
 as I walked towards the door.
 The air was crisp and clear,
 a welcome change from the
 stuffy interior. I took a deep
 breath, savoring the fresh
 air. The sun was shining
 brightly, casting long shadows
 on the ground. I felt a sense
 of freedom and relief. It was
 a beautiful day, and I was
 finally out there.

My dear Sir,

I was quite surprised yesterday
to receive a duplicate of my Land Warrant.
As times are gloomy & money scarce, I am
inclined to let it go, but am perfectly willing
to sell out to you at a fair price if you
want it. Of course you understand the
chances of obtaining the original location.
So make one and offer. The fee originally
agreed upon between us, I will remit so, should
I can conveniently do so.

How are politics in Cambridge? Which party
is in the ascendant? The Union party will
have got majority in this district - I shall
be exceedingly glad to hear from you at any
time you have the leisure.

Dear Sir -
Wm. after

My connection
is now -
with the business of Mrs.
John S. Danner, is now
closed by his direction, since
he has heard personally from
you - except so far as any
claim may arise for a
Counsel fee -

In regard to the details of
Mr Danner as to his conduct
and treatment of his children,
it must be apparent to you
that I can have no knowledge
other than is communicated
by my clients - except what
came under my personal

observation while he abided
here - I did not seek the
business - but was called on
by these parties as Miss
Hansen letter to my business
- And I confess after hearing
her statement with my own
knowledge, felt great sympathy
for the young lady -

I believe her statements
were correct and fully sus-
ceptible of proof. But of
course there is a struggle
between her filial affection
which is great. and other
duties to herself - The
kindness which procured
her the situation of Governess
in a distant State to
furnish her means of clothing
and support - is evidence of
the general sentiment of
this Community where

the family lived.

My Connection with
her business continues, till
I receive other instructions
from her - And I think it of
some moment for her to know
(if there is a sum certain
invested for her) how ex-
tensive a remittance than the
usual one for interest could
have been obtained by Mrs
Danner - on the plea of buying
a homestead - unless there
is an accumulated interest
which she is entitled to -

I have had some conversation
on this business with Mr J. L.
Tomlin a lawyer of our City
48 Conduit Street Hammer
Square - who having been here
a short time, can probably give
you some information of my
standing

Yours Respectfully

My dear Sir

I got your letter of the 1st and was
glad to hear from you. I am
in ignorance of the date of
your arrival in Richmond. I
read as soon as I reached the
city an extract from the
Tribune saying that a
company of 80 came from Fort Mc
Henry to Cambridge and the Rev
Dr Nelson of Annapolis told
me he had in the papers that
they went to my house. Do
write me at once and I will
in the way I have after name
Tell me all that occurred after
I left - all that was said and
done. How you have got along
what you are doing - whether
have money and means suff

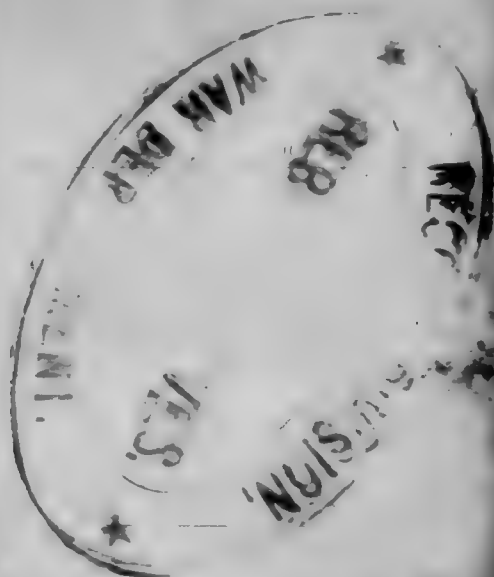

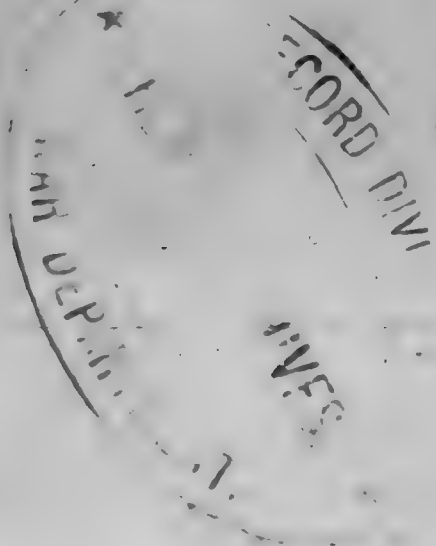

Now you get on with Capt. Bross - If
you have any opposition - call
about my business, office &c. Tell
one of the papers have said any
thing about me - If my creditors
abuse me - Let
show this letter to father and
him also to write me
all these things - I am
sure you are all well and
in comfort - for I have daily
and almost hourly prayed in
agony and tears - that God
would protect and guide and
provide for you all my dear
wife & little ones & father & mother
I know that he will do so -
I have prayed also that you may
be good & wise & ever earnestly
love Jesus God in all your
thoughts and actions - It is now

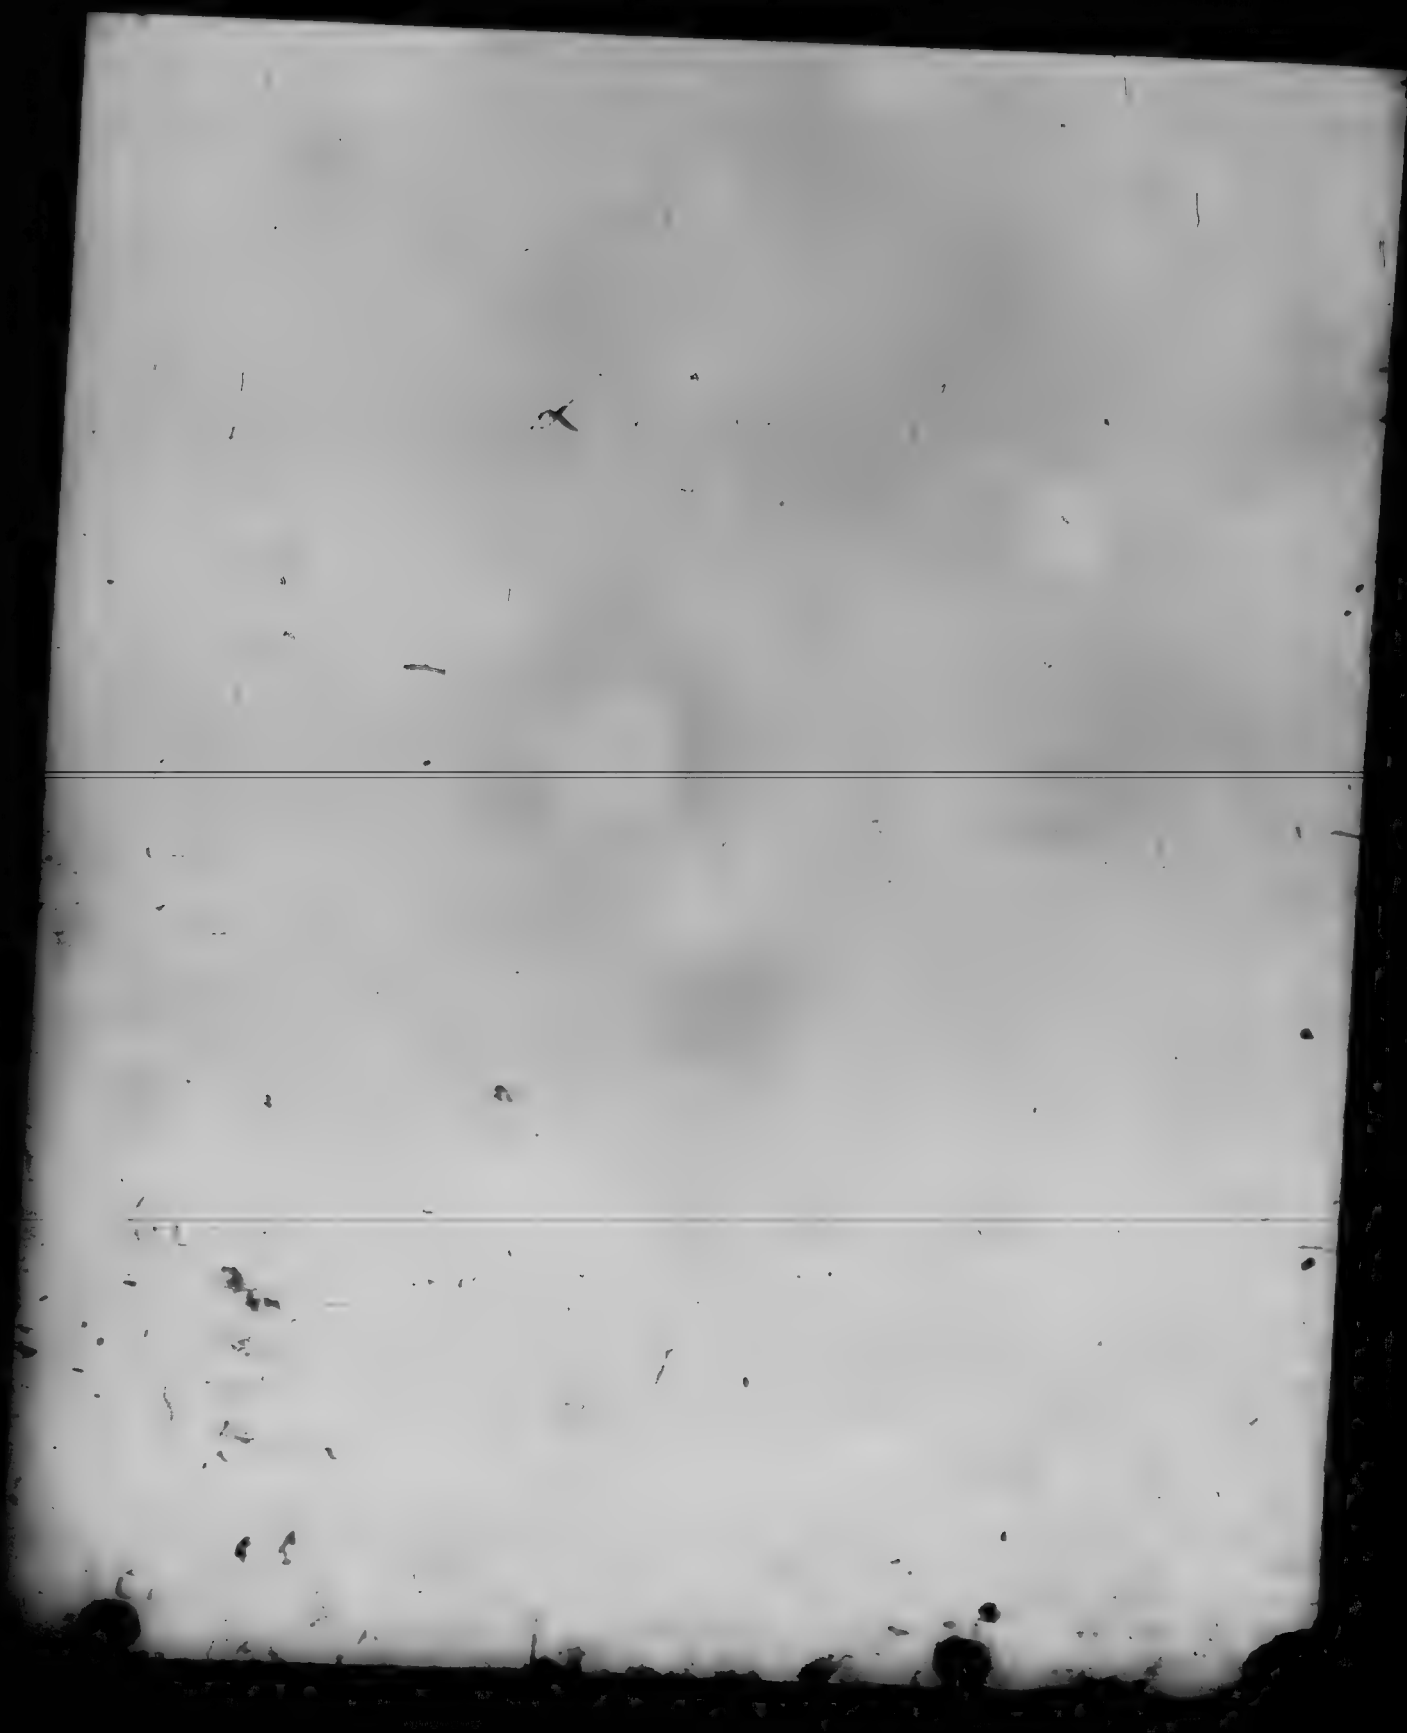

-possible and indiscreet in a letter
to tell you what has happened
to me; but my life was a wild
romantic and dangerous one
I hope before long to sit down
with you and the children
relate it all - and see ^{little} Lizzy, the
flash and man, ~~the~~ ^{the} ~~the~~ ^{the}
and Gentry's eyes did not

wild attention - I am married
I will see but men here who
have recently come from Maryland
that I cannot safely return till
Maryland is redeemed - This is
to say to all I love and to Capt.

them to wait upon me, at best
they can collect nothing while
there is a stay land, now and
I but this let them know of

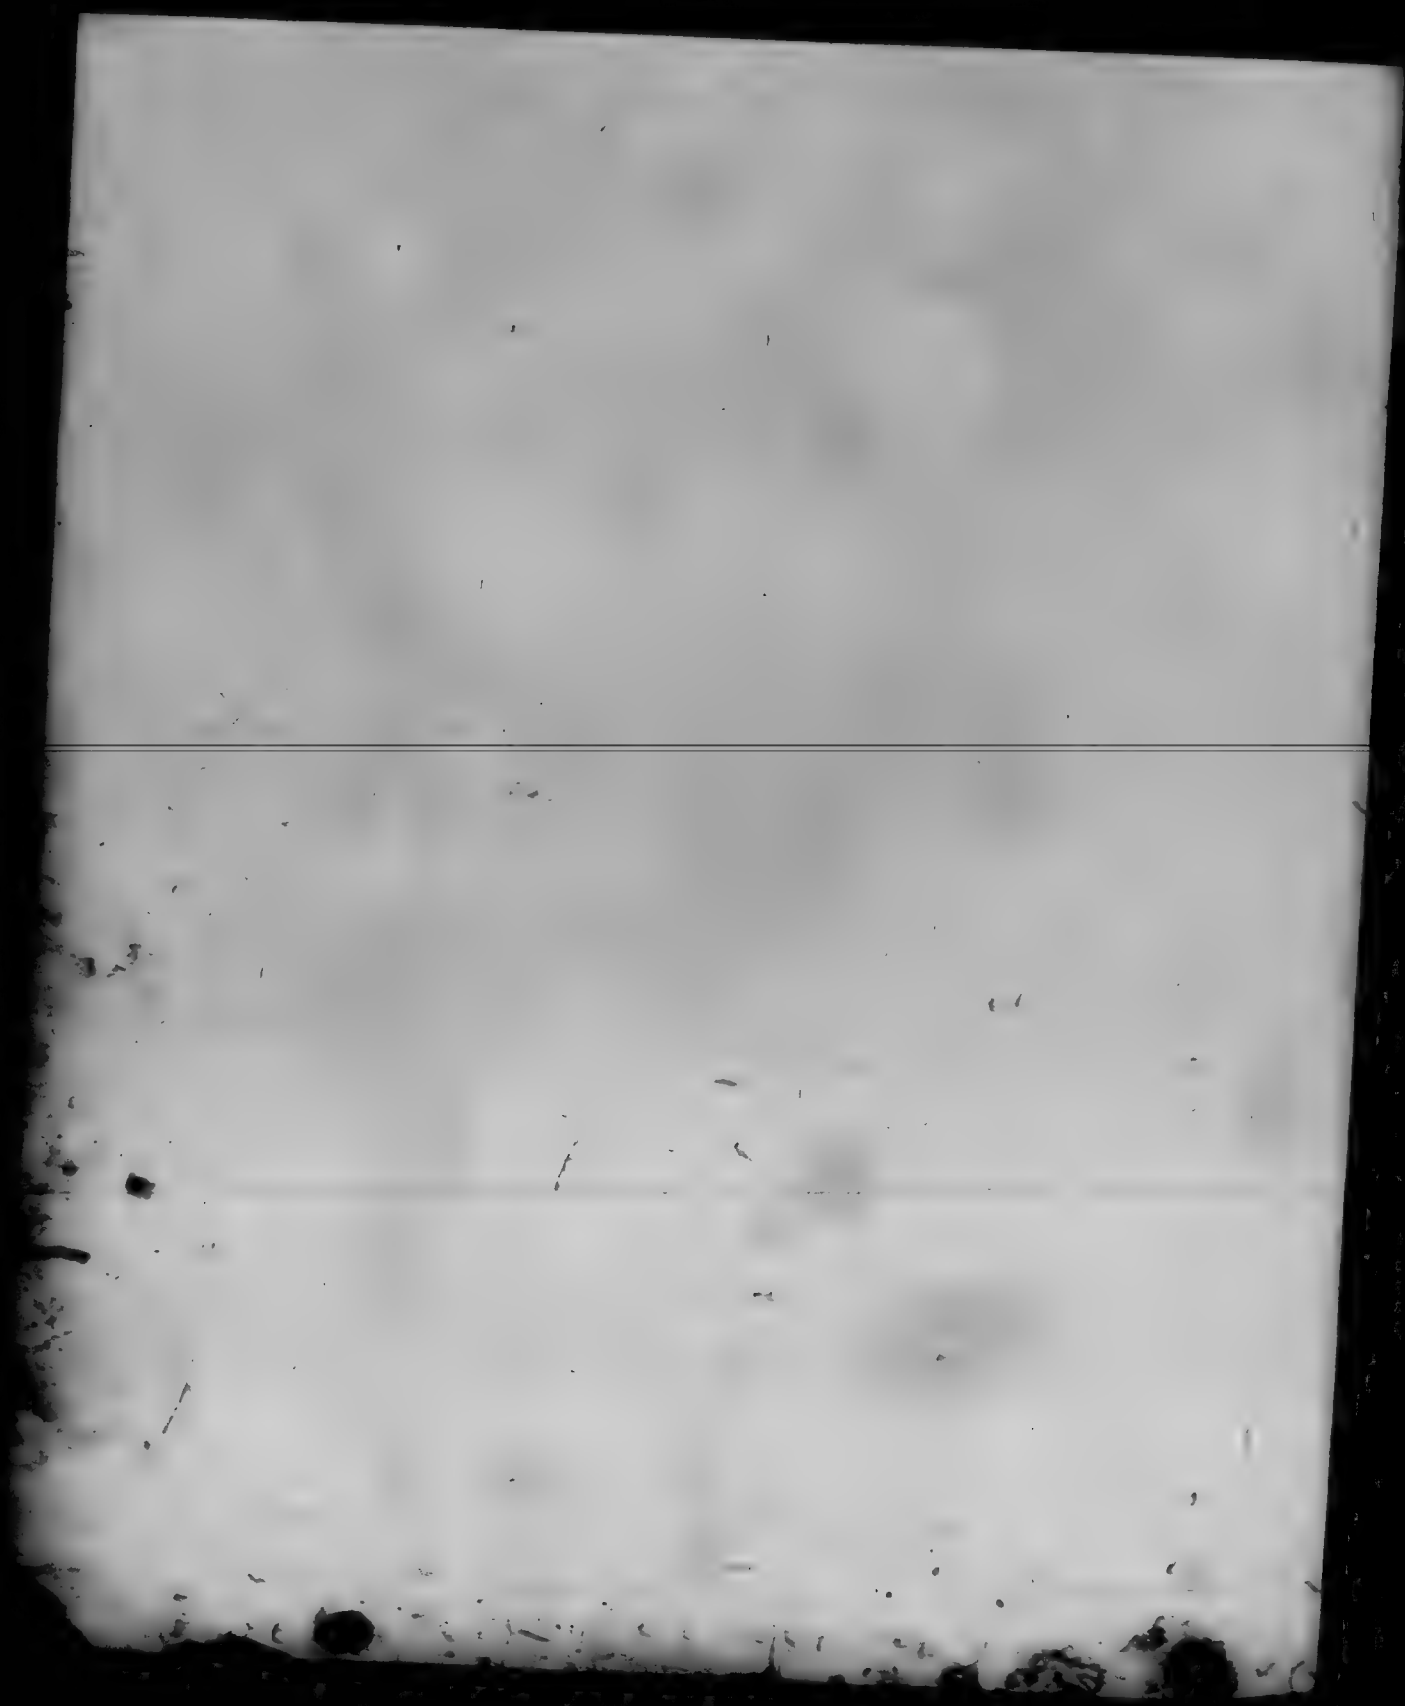

My name is Elias Garrison & I
there is a just God who guides

I shall live to pay every
dollar I owe I will do it and
I dedicate my self in the face

I have been hearing of
I have been hearing of a new
Sergeant's Regiment and have
for a long time I hope to be
in it - Dr. Major of the
Sergeant's Regiment - with this idea
it was got up - I will
probably be the Col. and then
we shall have a West Point
man for Lieut. Col. - If there was
not this necessity which I suppose
I would wish Dr. May we may have
- If he was he could be Lieut. Col.
and Dr. May would be Col. May we
other men in the day & day for redemption
- I enclose to you Dr. May's letter
which you will learn his opinions
- If you are all well I am

I have just received your letter of the 10th inst. & am

Apr 24th 1860

Dear Sir
I am writing you as Counsellor for
my son Mary, to secure his right to a road
called Clinton Road, said road is said to be
part of right of Sandy Hill tract. I am attorney
in want of who is the real owner of said road
I wrote to Mr. H. H. H. and Florida State
and received a reply stating, as well as I rec'd
that the lower part of said Road belonged to
I have again sent him another letter on the
same subject, and request a reply. My object now
in writing is to see if you can find out
what road facts connected with said road, and
if so desire information of how the matter stands.
I wrote to my son Mary last week on the same
subject, stating all I wanted, was to see her right
and if she had no let self, or you will be able
to see her right, and if so I will let it
I do not desire a law suit, and it is not necessary
there should be one, if you can show me
that it is the Road, why should I sue, but
in the absence of such evidence, I cannot
be sure, and the Hayward is not to be
be mind, mine, really, it may be so or not
if you will move and or else, I will
let it, I will without suit pay damages for
what it is damaged, I have understood
unless you did agree to compensate you for
a whole lot of money, I have received this
and do not know what to do.

I do deny having used the road, and I may
have been damaged in such use, but I do know
that the owners of the
house or their tenants, have not done a
work in the way of repair for the last 15 years, and I
think I might safely say, 2 or 15 years, I have
used the road well for the last 15 years
it has been used 5 times as much as it
as much by Dr. Johnson, and Ben. Johnson
as much as I have not been in the road
4 weeks and do not know what is
condition. in case of a suit I will
facts. I admit to have it on the side
and go in sabbings, all put together
make it a kind of road. They were
in the house, but principally, because
completely with the last Dr. Johnson, as I consider
to the road the way in - Clean
the right of the road, I mention things
into the road and can be so
I now have to have one clause for all
road. I suppose no road
damages to me than 5 dollars a month
and I am not going to pay for
anything, at what was not a
in the road. I do not consider
damages. I was told by Dr. Johnson
that he paid it to the road, as stated
is not mind I will not say it is as
mind is in the road, I have
can give no other either, and
to know to whom is the road. I
to disinter the road, of judgment, and
a description, I do not count a road, about
road or any other place, but must
thing that is claimed, in the
road evidence of that the road,

mind. it may be my very good. and I am
sure she believes it is. but she ought to
look at the world. she has
and I am sure she will do so. if she should
be - we are, evidence of his to believe
to have a suit. it is in the
- and I presume there will be
I would have loved to see you to night. but I am
so tired. I thought I would write. I have written in
a letter it is late at night. I fear you will not
be able to make out the letter. my letter
- is enclosed.

Yours most truly

Andy Hill April 20 7

Madam

I have again written to you about the road. I received a letter from him a few days ago in which he stated as well as I recollect that a road of 2 1/2 miles belonged to him. If I understood his letter as it is stated, if I have no right in the road if I have it, I cannot more than say that Howard should be state that he had knowledge of that fact. I have no intention in making any objection. If you have a right I should like you to make a road to it without going into a law suit. All I want is to be clear. And I have no right. I will show you before to any other road, and if he says the road is yours I submit. You are as a man stated I have again written Howard, and I have not yet received an answer. I have made a mistake and written to you about it, but have, sayed it so that may understand it. Without further delay I want to show you my reasons for clearing up when I get a letter in reply. If he states I have no right, I will understand him to allow the Corcoran to use the road to the coast. I know you will not want to give it up. I will show you his letter in a letter when received. If you wish to see it your most

field of Doct. Lohman, on the main road
 called Sandy Hill road, and then run towards
 Clifton. Crossing over Clifton road
 150 - or 200 yds from Clifton - and gradually
 crossed the road, about that distance
 and if I understood you in the 3rd part
 of the road at least, I conclude
 to admit that I admit the
 road is no more
 than I expect to advise you to
 to yield my right, as I could do so without
 the use of said road. That I could get
 different Court orders in the way to do so
 without the use of the
 such is the fact, but I have a choice
 why should I be compelled to abandon it I
 seldom use the road, but I have
 I do not want to be deprived of the use of it
 when I think I need it, but I do not
 know where I have no interest
 that which does not belong to me and I do not
 want that sort of interest, I have no
 interest in that road, and I would not
 to do as you are saying I like and do
 and I trust I am in the right
 all who surround me, if I should
 want, which I expect to want
 and I am making my information
 to feeling towards you
 and there is no doubt
 about my rights to the road without
 about information about the road
 my land is but I am poor, and I am rather
 that confession, in the way of information I am

To do so. I have a very large experience
family and it is quite as much as I can do
to get along. If the road is clear in front
of me. I read not in the morning
so unimportantly, and therefore I have
not time to state your information here
which I am sure you will do, as stated before
if the road is not part mine to right
I mean loyalty of course. I do not think
that it did not do so. If I can have
1/2 of your knowledge of it. I think I have
2/3 of it to explain my feelings
and to explain. Please write me soon
as you receive my letter. I am
the first and think I am doing a improve in
my paper. I have sometimes
to be much better for and
mean to have engaged in the business
I think I would have done better to say
more. but I am now fixed, perhaps in
for what is worth it. Certainly not
your part I have made any improvement but I
think I shall if I like soon have a good
piece of what promises a long life
and if there is no disaster I want to
22 or 23 but I am not sure. I want to
I expect to be in the city. The
present year. I expect to be in the
city for a few days. for I
plan for the future. Cambridge is a new
place for the present generation. So they
are not, but it is just what we
look forward to the future. Things are about
your left hand. I hope you are
superior to ours. I mean the energies of the people.

Act Sept 24. 62

Provost Marshal's Office
Richmond Va. Sept 22. '62
Hon. G. W. Randolph
Secy. of War.
Sir,

From the beginning of the present war until April 21st '62, I was actively engaged therein, as a Capt. of the 1st Va. Regt, and subsequently as A. A. Adj. Genl. to Genl. Ewell. Since the date above mentioned, I have been out of Commission. I am, at present, engaged as Adj. to Maj. Griswold, Pro. Marshal, without rank, and so far as I know, without pay. In consideration therefore of past services, and present voluntary service, I respectfully ask a re-issue of my Commission as Captain in any Arm of the service your Excellency may deem my services most available. Could I be assigned to my present position, it would be gratifying. I am physically disabled from entering the line. Testimonials, I flatter myself, are unnecessary. I am honored by your acquaintance. With great respect
Your Obedt. Servt.

Adj. to Maj. Griswold,

Sir,

Respectfully recom-

mend, the appointment asked in
the foregoing application.

I am properly directed
by my Commanding Officer Genl.
Pender, not to allow any order
to go out unless signed by myself
and as orders have constantly to
be issued I am compelled to
be always present or important
business will be delayed.

I have been absent only from
duty at any time.

The difficulty can only be avoided
by having still one a ~~Commissioned~~
Officer. The applicant in this
case has been with me in my
office as assistant and has
rendered me valuable service
He is familiar with all the

Order of the office was in our

which he only left when compelled
by poor health, and the
expectation of compensation

My dear Sir

your letter of the 14th inst.

forwarded to the proper
authorities for their
consideration.

H. I. The Hon. collecting about

Albany, N. Y. Dec. 31st 1864

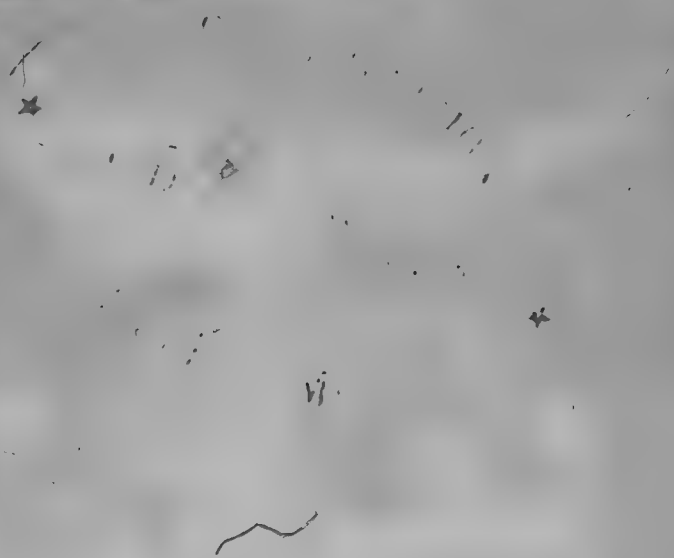

General:

I beg leave respectfully to
recommend for appointment as one
of the Judges of the Court-Martial to
be nominated by you, Maurice Rivet-
taz, a citizen of New Orleans but now
residing in Alexandria. To my knowl-
edge he has most creditably filled
the position of Adjutant General of the
State of Louisiana for some eight
years, in which capacity, as well as
that of a practicing member of the Bar
of New Orleans for many years, his
experience has, in my opinion, eminently
qualified him for the position. I take
pleasure also in bearing testimony to his
energy, and to his unimpaired integrity &
fidelity.

Very Respectfully

Headquarters, District Western Louisiana,

October 31 1864

I have the honor to acknowledge the receipt of your letter of the 20th inst. in relation to the organization of a military court for the District of Western Louisiana. I have the honor to make the following recommendation for the organization of a military court for the District of Western Louisiana.

- | | |
|------------------------------|---------------------|
| Maurice Krivot, of St. Louis | } Members. |
| Henry Ogden | |
| Robert A. Johnson | |
| W. D. Hennen | |
| | Esq. Judge Advocate |

Mr. Krivot was at the beginning of the war, Adjutant General of Louisiana. He is represented to me as a gentleman of legal ability, of intelligence and great firmness and integrity of character. I refer to the accompanying recommendation, in his case, made by

Brig. Gen. Henry T. Hays. Judge Ogden is now a Judge of one of the City Courts of St. Louis. He was for some time during the war, a field officer of one of the La. regiments. He enjoys a reputation for legal ability and decision of character which, in my judgment, in connection with his former military service, fit him for the position.

Col. Johnson, though a citizen of Miss., was Lieut. Colonel, on its organization, and afterwards Colonel of the 2nd Ky. Regiment. He was in active service, including his field service at the battle of Shiloh, until ill health compelled him for field duty. He

resigned from the Army, in consequence, about a year ago. I think his qualifications for the position would make an admirable combination with those of the other gentlemen recommended. In civil life he was at one time a successful lawyer, and afterwards connected with a successful mercantile house in St. Orleans.

Mr. Hennen is admirably qualified for the duties of Judge Advocate. I do not think a better selection could be made. As Commissioner of the War Department for the investigation of charges against civilians arrested and E. Lynn and S. Western Co. he displayed ability and intelligence. When the Army was in campaign he performed the most active service in the field. For the character of his field service reference may be made to Major Gen. B. H. Johnson. For his legal qualifications to Hon. J. P. Benjamin, Secy. of State, and Judge Campbell, Secy. of War.

I am, General, Very Respectfully,
Yours Truly,
Wm. H. Hennen

My dear Mr. [illegible]
[illegible]
[illegible]

I have been thinking of you
very much lately as respects our
common friends. I think of the
many who are gone, because of this
war, and of the many who are
left in a state of poverty and
distress. I think of the many who
are suffering from the effects of
the war, and of the many who are
suffering from the effects of the
war.

I have thought of you as
being so much interested in
the welfare of the world, and
of the many who are suffering
from the effects of the war, and
of the many who are suffering
from the effects of the war.

I have thought of you as
being so much interested in
the welfare of the world, and
of the many who are suffering
from the effects of the war, and
of the many who are suffering
from the effects of the war.

Yours truly,
John F. Hartman

My dear Sir

I have the honor to acknowledge the receipt of your letter of the 10th inst.

and in reply to inform you that the same has been forwarded to the proper authorities for their consideration.

I am very sorry to hear that you are unable to continue your service, and I would express my sincere sympathy in your unfortunate condition.

From the beginning of your service, you have been an ardent and efficient soldier, and your conduct has been a model for all to follow. I am sure that your services will be remembered with great appreciation.

Many friends - in and out of the ranks - would be highly gratified at his promotion to field service, and I hope it may be in your power to grant the commission desired.

Thank you for the

I have had
my very friend, it is now a week
to leave the adjutant general's department,
and wants a commission for more
active service. He would make a
most efficient frontier leader. I think
that he is of ardent, daring spirit, and
in command of a volunteer company at
Norfolk he showed himself in the complicated
disciplinarian.

Many of our friends in
the old city would be highly gratified to hear
that he had been transferred to a position
command in the field, and I am
doubtless enough to believe, that with a
single Regiment of brave followers, he would
harness the rebels from Norfolk and
Portsmouth very soon.

Respecting
Capt. V. D. Graier.

Sangerbury, N.C.

3rd Sept 1862

Sir, A recommendation in
favour of Col. V. D. Foner, was
signed by some of the most influential
persons in N.C. and by me and
to him; which has been met by
Col. S. D. Fierbee in Lord this paper
to Genl. Bell, then commanding the
N.C. Division.

The object was to secure Col. F.
active service.

I learn that he has been appointed
Lt. Col. of the 54th Reg of Negroes
and this has been received with
great satisfaction in N.C. and the
approbation of the Col. and others.

Very respectfully
Yours &c. &c. &c.

W. O. Wheeler

How

Secy of War

Adjutant Genl. Office Sep 3 1862

The undersigned has known some years, & consequently
intimately, the character & qualifications expressed
by Lt. Sherman in the letter of the other side. When in Norfolk during
his service, in the inspection of the several Volunteer Corps, from that
contingent placed, numbering together the force of a large Regiment, I
found his Company superior to them all, in drill, discipline & soldierly
bearing. Of Lt. Sherman's zeal & devotion to the cause of Southern rights,
many instances have come to my knowledge, among others are
desires to make the attempt with such force as could be raised, to

Captain George Monroe
I have no hesitation in believing that he will fill my position
with credit & himself a benefit to the service.

Wm. H. Richardson

Commanding
Capt. G. B. Monroe

J. J. Stephens
Wm. H. Richardson

For many years, and the late years
in his long life, he has been
as a soldier and a patriot. From early
youth he has indulged in a career of
adventure in the military life, and
when he had scarcely attained the
age of majority, he was sent to
one of the most famous military
schools in the world, and he has
since been in the ranks of the
British Army in the Crimea. These
experiences have made him a man of
great confidence and still, this
day, he has been a military man,
and his moral firmness as a soldier
has made him one of the best of his
generation, and he has often witnessed
and admired.

It is a great pleasure
to see him in
his old uniform.

Monthly Report
of the health
of the regt.

During the past month the friends of the
Society at New Bedford were informed that
is the first time since 1840 that a
result of these causes such as is to be
from some articles of food which have
tendency to irritate.

We are therefore most anxious
to get rid of them.

The Camp is in the same order & the

for a promotion of 2nd. Lieutenant of 6th. Regt.
by promotion of Commanding Officer of said

recommend him to the consideration of the

The D. Mr. of the 6th.

totally unfit in character, as well as capacity
for the position to which he was assigned;

Mr. Foster has been with
